Financial Agreement

In order to schedule an appointment, you must reserve your appointment with a credit card number that will be kept on file. When you attend your appointment, you are free to pay using the credit card that is on file, or you may use a different form of payment. Fees are due at the time of the session.

In the event of a late cancellation (less than 24 hours notice) or a no-show, the credit card on file will be charged a \$75 fee on the day of the missed appointment. The \$75 charge is not meant to be a punitive measure, but covers the client's fee for the time slot that was reserved for the client. Additionally, all client balances accruing past 30 days will be charged to the credit card on file.

I accept cash, check, and credit/debit cards. There will be a \$25 fee for all returned checks.
